PBIS:

Happy Monday Hale! This month PBIS will be focusing on Mindfulness. **Mindfulness** is a state of being conscious or aware of something, such as: feelings, thoughts, stressors, and bodily sensations.

Being aware of how your body and mind is feeling has the ability to help you make sound, rational decisions because you are more likely to feel more in control, objective and patient.

In November we will be focusing on:

- Self-regulation
- Managing stressors
- Other mindfulness techniques
