Happy Monday Huskies! It's finally December, which means that in a few short weeks it will be Winter Break! The Holidays can be stressful times, even for adults, so let's review our December focus: mindfulness.

Part of being mindful is knowing how you are feeling and how to manage those emotions. Review the Zones of Regulation Chart and strategy chart below. **How would you know if you are in the red zone? What are some self-regulation strategies you could try to help you return to the green zone?**

What Zone Are You In?			
Blue	Green	Yellow	Red
			
Sick Sad Tired Bored Moving Slowly	Happy Calm Feeling Okay Focused Ready to Learn	Frustrated Worried Silly/Wiggly Excited Loss of Some Control	Mad/Angry Mean Yelling/Hitting Disgusted Out of Control

If you are interested in learning more about the Zones of Regulation, please email me at iversonm@wawmsd.org
