

Honors Chemistry
pH of Common Substances/CER

Names _____
Hour _____

Substance	Effect on Red Litmus (E)	Effect on Blue Litmus (E)	pH (E)	Acid/Base/Neutral (C)

Reasoning

Properties:

	Acids	Bases
pH		
Litmus paper		

List at least 2 more properties or tests we could have done to solidify your claims in determining if the substances were acids, bases, or neutral.
